THE QUESTION: Why do you do what you do?

• **What is your motivation?**

1. Are you motivated _____ – You’re motivated to perform a behavior, engage in an activity, or strive for a goal for its own sake rather than from the desire for some external reward; the behavior itself is its own reward
2. Are you motivated _____ – You’re motivated to perform a behavior, engage in an activity, or strive for a goal because you want to earn a reward or avoid punishment; you expect to get something in return or avoid something unpleasant

“Studies have demonstrated that offering excessive external rewards for an already internally rewarding behavior can reduce intrinsic motivation—a phenomenon known as the ‘overjustification effect.’” The Incentive Theory of Motivation, Kendra Cherry, www.verywellmind.com.

They all ate as much as they wanted, and afterward, the disciples picked up twelve baskets of leftovers!” – LUKE 9:13-17
